About

- * We will guide you through the process of creating a Microsoft Teams team, that works for you from day one.
- * We will educate you about modern working behavior and the art of collaboration, which assets of Microsoft 365 are available for you in Teams, and how to make best use of them.

Building beautiful
Teams apps –
Teams UIT Toolkit
for Makers

- * Find detailed instructions on how to use the Provisioning Toolkit. If you are new to Teams, you can select the Resources tab, where we provide additional information.
- * We will ask you some questions about working behavior and structure of your team or department - which you can then request.
- * Your new Teams team is provisioned for you - including channels, lists and libraries.
- * New to Teams? Check out our learning content and some best practices!
